

Tough on costs. That's what the Bolero Pik-up FB CNG is all about. It has great pulling power even in loaded conditions and a better drive than ever before. A new Gas Injection Technology, and an even larger range, of over 300 km per filling, all work towards making it extremely economical. It comes with an internationally proven CNG kit, and it is now BS IV compliant. Which takes the Pik-up's commitment to being pollution-free, to the next level. So this tough new vehicle is extremely **gentle on the environment.**

■ New Gas Injection Technology that gives superior performance & acceleration

■ Unbeatable mileage of 13 km per kg*

■ An inbuilt Speed Governor helps with savings of Rs. 15000**

■ 5 Speed Gear Box for a smoother drive

■ Fuel tank of 140 L (water capacity) gives a range of 315 km per filling

*Under standard test conditions for 1060 kg payload
** based on market price for Speed Governor
