# PRESENTING THE MAHINDRA GIO COMPACT CAB.

It's India's most affordable commercial passenger 4-wheeler. The Mahindra Gio Compact Cab is the perfect people carrier for your business. With an RTO approved seating of 6 passengers, it lets you carry more and earn even more. In fact, this vehicle can boost your earnings by up to 27%\*\*. Surely, that's reason enough for you to go for this vehicle with your eyes closed.

**LOW ON COST.  
HIGH ON STYLE.**

- Smart central grille & bezel
- Large, car-like molded bumper
- Stylish, car-like clear-lens headlamps
- Trendy side indicators
- Classy instrument panel
- Car-like steering wheel & gearshift

## MAXIMUM EARNINGS. MAXIMUM COMFORT.

- Extra-spacious cabin with better legroom & headroom
- Adjustable, cushioned bucket seats for a comfortable journey
- Steering wheel for effortless driving and better maneuverability
- Small turning radius to negotiate narrow lanes with ease
- Car-like independent front suspension to handle tough terrain

## CUTS DOWN ON COSTS, NOT SAFETY.

- Car-like steering wheel and accelerator, brake & clutch pedals for better control
- Rear leaf springs for greater stability
- Front projected cabin for greater safety against frontal impact
- Headrest integrated with seat to prevent neck from jerking backwards
- ELR (Emergency Locking Retractor) seatbelts for better protection
- Windshield washer & wiper for better visibility in rough weather

## EARN FOR YOU. WITHOUT ASKING YOU TO PAY MUCH FOR IT.

- More passengers per trip means more income per trip
- Greater speed with the powerful Kohler engine for faster trips
- Best-in-class mileage of 30 KM per litre\* lets you save more
- Low maintenance cost, thanks to single-cylinder DI engine

## RELIABILITY THAT'S PRICELESS.

- A wide service network across India
- Best-in-class warranty of 1 year or 60,000 km, whichever is earlier
