PRESENTING MAXXIMO MINI VAN.

It's here to redefine the way India moves. The Mahindra Maxximo Mini Van is powered by the world's first 2 cylinder C2 CRDe engine. Giving you superior power, greater mileage and maximum speed. What's more, this 8 seater peaks new levels of comfort and safety too. All this, not just to take your customers from one place to another, but to take your business places too.

COMFORT **THAT'S FIRST RATE**

- A mini van with the luxury of space for the driver, co-driver and passengers
- Ergonomically designed and better padded seats which minimize fatigue
- Feel the rush of the wind with butter-fly windows which give you proper ventilation
- Maxximo Independent Front Suspension system that gives you a smooth car-like ride
- Cable-operated gear shift and resin-type headliner notch up the comfort level
- Expansive luggage area that maximizes luggage accommodation

STYLE THAT'S FIRST CLASS

- A tantalizing and dynamic body style
- Fresh and stylish front look with an impressive front grille
- Futuristic clear-lens wrap around headlights that add to the style quotient
- 3 trendy color variants make a bold statement
- A cluster that exudes style and adds to the aesthetic appeal
- Classy tail lights that make heads turn

SAFETY THAT PUTS YOU FIRST

- 360 degree safety with a monocoque chassis, a hard roof and a fixed-glass rear door
- LSPV brakes with booster-assist for effective and precise control while braking
- Frontal crash protection minimizes chances of injury during head-on collisions
- Strong, tough and durable exteriors to combat rugged terrains

TECHNOLOGY THAT'S FIRST OF ITS KIND

WORLD'S FIRST 2-CYLINDER CRDE DIESEL ENGINE

With Double Overhead Camshafts and 4 valves per cylinder, expect the perfect harmony of power and economy.

18.4 KW (25 HP) POWER. 55 NM (5.5 KGM) TORQUE

With 25 HP power and 5.5 Kgm torque, this potent engine allows you to go up steep inclines with ease, even at full capacity.

18 KM PER LITRE MILEAGE
